Sub: Guidelines on admission to Engineering & Technology courses through Lateral Entry Scheme in the academic session of 2012-13.

With reference to the above subject the undersigned is directed to state that on the basis of AICTE norms, the following guidelines are prescribed for admission to various Degree Level Engineering & Technology (including Pharmacy) Courses under the Lateral Entry Scheme.

01. The Lateral Entry Scheme will be applicable for all the disciplines except the courses of Architecture in UG Level Engineering & Technology Programme.
02. Diploma holders in Engineering & Technology (including Pharmacy) Courses and B.Sc. Degree holders shall be eligible for admission to 2nd year Engineering Degree Courses up to a maximum of 20% of sanctioned intake, (except in Marine Engineering) which will be over and above to the approved intake as supernumerary seats.
However, B.Sc. degree holders are not eligible for admission in B. Pharm. Course under this Scheme. Admission in Marine Engineering is subject to availability of vacant seats within the sanctioned intake.

In addition to the 20% supernumerary seats as stated above Vacant Seats(S) in a Course, $S = SI - (C - F + B)$, and if $S > 0$, may also be available to the Diploma holders and B.Sc. Degree holders for the Lateral Entry Scheme where,

- SI = Sanctioned Intake
- C* = No of cancellation in the first year level
- F* = No of students not eligible for admission to second year as per rules/ rules by Affiliating University.
- B* = No of students who belong to earlier batches who have become eligible for admission to second year as per rules/rules by Affiliating University.
- * Students admitted against any type of supernumerary seat/s shall not be considered in C, F or B.

03. B.Sc. passed students shall be considered only after filling the supernumerary seats in this category with students belonging to Diploma streams.
04. Diploma holder students in Engineering & Technology (including Pharmacy) or B.Sc. passed students from the recognized University as defined by UGC shall be eligible for admission to the 1st year Engineering Degree Courses also subject to vacancies in the 1st year class in case the vacancies at Lateral Entry are exhausted. However, the admission shall be based strictly on the eligibility criteria as mentioned in this regard.
